ACROSS THE COUNTRY, HIGHER EDUCATION NEEDS SEASONED, VISIONARY LEADERS IN THIS TIME OF CHANGE.

UNIVERSITIES, LEGISLATORS AND EDUCATORS NATIONWIDE WILL BE LOOKING TO A SELECT GROUP OF LEADING INSTITUTIONS TO FORGE THE PATH AHEAD.

The number of AAU universities nationwide with colleges of Medicine, Veterinary Medicine, Law, Engineering, and Agricultural Science on one central campus.

With increasing emphasis on multidisciplinary approaches, if it’s happening in higher education, chances are it’s happening at UF.

The history, scope and capabilities of the University of Florida turn today’s challenges into a unique opportunity to lead.

- 3 million square feet of new construction since 2004
- 40-acre Innovation Square with new technology incubator
- 12,000 + graduate students and growing
- $1.5 billion capital campaign nearly complete
- 16 experienced cabinet members
- UF/IFAS Extension offices in all 67 Florida counties
Rising student demand in Florida means increased selectivity in admissions. UF’s freshwater retention rate is among the highest in the country, at 96%.

The University of Florida’s profile is richly comprehensive, offering more than 100 undergrad degrees and 250 graduate programs. On one single campus.

UF HAS 16 COLLEGES, INCLUDING SIX IN THE HEALTH SCIENCE CENTER ALONE.

THAT PLACES US WITH BERKELEY AND MICHIGAN AS ONE OF THE TOP THREE SCHOOLS NATIONWIDE IN ANNUAL PH.D. GRADUATES.

29,000+ applicants for entering class of 6,000 ·
4.3 average G.P.A. for entering students ·
1951 average SAT ·
1,375 International Baccalaureate students ·
65% four-year graduation rate ·
83% six-year rate ·
With the 45th lowest tuition among state universities nationwide, UF tuition and fees for 2012-13 are:

$6,143

Amid rising concerns over the costs of college and student debt, many public universities have reached the upper limit of what they can charge for tuition. UF is a notable exception.

60+% of UF students graduate with zero student debt

- 9 percent tuition increase for 2012-13
- $140 million from increased tuition since 2006-07, blunting $229 million in state budget cuts
- 2nd ranked in Kiplinger’s “Best Values in Public Colleges”
- 6th ranked on PayScale.Com’s list of universities that offer the best return on investment
With 95% of its undergraduates from Florida, minority undergraduate enrollment at the University of Florida is:

<table>
<thead>

</tbody>
</table>

From heavily Hispanic Miami-Dade county to ethnically rich Tampa-St. Petersburg and Orlando, Florida is a highly diverse, multicultural state.

UF has a strong commitment to diversity.

11,727 = 35.9%

UF UNDERGRADUATES RECEIVING PELL GRANTS

UF is ranked among the top AAU public universities in the number of bachelor’s and doctoral degrees for African-American and Hispanic students.

UF is the third largest producer of black undergraduates who earn MDs.
UF’s athletic association is financially independent and supports the University’s academic operations with an average annual contribution of about $6 million.
The University of Florida is a national leader in moving discoveries from the laboratory to the marketplace.

We’re changing the way people experience their lives each day.

$740 Million

in total research and development expenditures account for nearly half of the total for all 11 Florida public universities.

In 2010 with $682M, UF ranked 21st in R&D expenditures among U.S. universities, ahead of M.I.T., Yale, UC Davis and Georgia Tech.

AS PRESSURES BUILD ON PUBLIC UNIVERSITIES TO CREATE JOBS AND CONTRIBUTE TO ECONOMIC DEVELOPMENT, UF HAS A GROWING INNOVATION ENTERPRISE.

- 28 members of the National Academies
- 4 major new research facilities completed since 2004
- 22 startups in new technology incubator near campus
- 150 patents each year
- $25 million in annual licensing income
- 100 spinoff companies
endowment means UF is meeting rising expectations for public universities to become more self-sustaining.

In addition, UF’s 5-year, $1.5 billion “Florida Tomorrow” capital campaign is nearing its successful conclusion.

UF’s private support is healthy and growing.

With over 320,000 alumni living around the world, the Gator Nation really is everywhere.
At UF, effective leadership begins with leveraging the strengths of a skilled, experienced cabinet. One that is complete, focused and ready to move forward from the day you arrive.
Hailing from business, law, real estate, healthcare and technology, the 13 members of the UF Board of Trustees are influential Floridians who care deeply about UF.

Ten are UF graduates, one is a UF student, and all are **advocates and strategic thinkers** for the university.

Money magazine, Frommer’s and Forbes are just a few of the magazines that have named Gainesville the top city in the nation for livability.

That’s important when the nation’s most talented and creative professionals are choosing where to put down roots.

A unique blend of nature, culture, southern charm and higher education makes Gainesville a little of what you would expect, and plenty that you wouldn’t.

4 high schools on Newsweek’s America’s Best High Schools
43 percent of residents have a bachelor’s degree or higher
2 nationally known museums
UF has all the essential elements in place for your leadership to take it to new heights.
