

**7th Annual Anesthesiology Celebration of Research Day
Presented by the Department of Anesthesiology**

The Department of Anesthesiology invites you to the 2017 Anesthesiology Celebration of Research Day
Wednesday, May 3, 2017 from 3:00 pm – 6:00 pm in the UF Health North Tower – Room 2147.

Oral Presentations – 4:15 pm in Room 2147 followed by the closing keynote speaker

"Improving Critical Care Science through Innovation and Integration"

Keynote Speaker - Dr. Kevin R. Ward, MD

Professor, University of Michigan

Department of Emergency Medicine

Executive Director, Michigan Center for Integrative Research in Critical Care (MCIRCC)

Executive Director, Fast Forward Medical Innovation (FFMI)

Learning Objectives: Upon completion of this activity, participants should be able to:

- Describe the latest research in anesthesiology, pain, and critical care medicine.
- Discuss strategies for improving the quality of care.
- Review and discuss various fundamental principles, etc., related to the entire field of anesthesiology.
- Appreciate the burden and challenges of critical care on society and hospital costs
- Understand the importance of de-siloing critical care science to achieve greater translational economies of scale
- Appreciate the challenges and rewards of integration and interdisciplinary collaboration to innovate and problem solve in critical care

For more additional information contact: Research.Coord@anest.ufl.edu

Food and refreshments will be served.

Target Audience will consist of primary care physicians, specialty physicians, physician assistants, nurses, and fellows/residents.

Disclosure: Dr. Kevin R. Ward, Claudia Sotillo, Pradip Kumar Kamat, J Travis Parsons, and Abigail Schirmer have disclosed that they have no relevant financial disclosures. No one else in a position to control content has any financial relationships to disclose.
